

residential  **snowblowers**

78P

CUTTING WIDTH	AUGER	FAN	WEIGHT (LBS)
78"	16"	24X8"	750

That long, winding laneway doesn't have to be a pain-in-the-neck to blow, just hook onto a pull-type blower with your compact tractor and you'll be done in no time!

These two stage, drive-through blowers come with a cutting-edge on the bottom and optional hydraulic or manual hoods. Easy to use and easy to drive with many features seen on the bigger blowers
