44" Tag-Along (44TA)

DRIVE	BRUSH DIA. SIZE	HOOKUP	ANGLE
4" h.p. Honda	18"	Draw Bar	straight

44TA, 44TB - FEATURES

can be pulled by a small lawn tractor or ATV due to easy tow-behind design

Honda engines with 6:1 gearbox

single handle operation, UP for transporting and DOWN for sweep or float position

metal deflector to minimize dust and to keep debris moving into a windrow

durable poly brush is easy on lawns, but dense enough to make a clean sweep on asphalt
