| DRIVE | BRUSH DIA. SIZE | HOOKUP | ANGLE |
|--------------------|-----------------|----------|----------|
| 6 1/2 " h.p. Honda | 21" | Draw Bar | straight |

*Also available with a PTO drive

The 52TB sweeper, with its unique brush design, picks up a wide variety of debris. Whether it's gravel, matted leaves or wet grass clippings, this sweeper makes short work of it all. The large 19 cubic foot bin capacity will ensure more sweeping time and less dumping time.

52TB - FEATURES

- 6.5 hp Honda engine with 6:1 gearbox
- large 19 cubic capacity rotating collection bin, powered by a 12 volt reduction motor
- 12 volt actuator for brush lift and depth control
- dual switch box to be mounted on the tow machine for easy operation
- adjustable depth gauge wheels
- walking tandem axle
- adjustable tongue height
